## Updates from E. S. Beveridge

### **Medicare's Open Enrollment Period for 2019**

If you need to make a change to your Medicare coverage, make sure to take advantage of the current window to do so, from now until December 7, 2018. During this time period you can make a variety of changes to your coverage, including switching from Original Medicare to Medicare Advantage and vice versa. [Learn More >>](#)

## How to Maximize Health Coverage When Working Past 65

If you're among the more than nine million Americans who've made the decision to keep working past the age of 65, we've got five important steps for you to follow, to make sure you save money and make the most of your health coverage options.
